## Summary

Hello, I'm David De Wolf, a seasoned Web Developer from Belgium, known for my expertise in HTML, CSS, and advanced JavaScript frameworks like Next.js and React.js. My proficiency extends to WordPress development, where I've helped craft numerous engaging websites.

As a professional dedicated to empowering small businesses, I focus on creating online platforms that are not only visually striking but also highly functional and responsive. My role often expands to Digital Project Management, where I ensure that every project progresses seamlessly from its initial concept to its final launch.

What sets me apart is my confidence and approachability, which make client interactions smooth and productive. My dedication to meeting deadlines is unwavering, and I pride myself on delivering results that exceed expectations.

Driven by passion, I specialize in writing code that leads to conversions and designing digital experiences that leave a lasting impact. I'm here to bring this expertise to you and your company. If you're looking to enhance your digital presence, I invite you to connect with me. Let's start making your project a reality today!

## Experience

### Digital Project Manager

Wolf Worldwide

Jan 2020 - Present (4 years 1 month)

A solid strategy helps eliminate the disjointed approach many organizations have when it comes to their digital assets and ensures that decisions are not made lightly just because they want to use the latest technology, or in response to an exciting new trend in the market.

## **Executive Chef**

Tusk Guesthouse

Sep 2016 - Sep 2017 (1 year 1 month)

With my culinary expertise, I'm able to create new recipes, prepare all types of food using different cooking styles and handle food presentation.

### **Owner - Executive Chef**

Townhouse Supper Club

Feb 2015 - Dec 2016 (1 year 11 months)

### **Executive Chef**

The Beach Resort & Club

Oct 2014 - 2015 (1 year)

Working on an island was a great experience, except when the boats weren't running due to weather conditions. As a chef on an island with hungry customers with few supplies left. You've got to get creative than to say the least.

Picked up the language in the meantime, which is great but felt mostly necessary to improve the service.

### **Assistant Restaurant Manager**

The Beach

Apr 2014 - Sep 2014 (6 months)

### **Executive Chef**

Riverhouse Bistro & Lounge

Oct 2013 - Apr 2014 (7 months)

This was my first time doing food cost, controlling the central kitchen for 3 venues. This job was:

35% kitchen

35% meetings, office work, market price checks

30% front house

A combo I liked for sure.

### **Executive Sous Chef**

Cinq Annoo

Jan 2006 - Jan 2012 (6 years 1 month)

Responsible for operation during weekdays

### **Vacation Student**

't Brochetje

Mar 2004 - May 2006 (2 years 3 months)

Working weekends as an extra to support the existing kitchen team
